

FMC Technologies Receives \$26 Million Subsea Equipment Order for ConocoPhillips Bayu Undan Phase 3 Project

May 15, 2013 7:59 PM ET

HOUSTON, May 15, 2013 /PRNewswire/ -- FMC Technologies, Inc. (NYSE: FTI) announced today that it has received an order from ConocoPhillips Australia Pty. Ltd. for the supply of subsea equipment for its Bayu Undan Phase 3 project. The order has an estimated value of \$26 million.

The Bayu Undan field is located in the Timor Sea, approximately 280 miles (450 kilometers) northwest of Darwin, Australia. FMC Technologies' scope of supply includes subsea trees, wellheads, jumper kits and associated control systems.

"FMC Technologies is pleased to provide ConocoPhillips with the subsea systems required to develop this field," said Tore Halvorsen, FMC Technologies' Senior Vice President, Subsea Technologies."

FMC Technologies, Inc. (NYSE:FTI) is a leading global provider of technology solutions for the energy industry. This release contains "forward-looking statements" as defined in the Private Securities Litigation Reform Act of 1995. Words such as "estimated," "scheduled" and similar expressions are intended to identify forward-looking statements, which are generally not historical in nature. Such forward-looking statements involve significant risks, uncertainties and assumptions that could cause actual results to differ materially from our historical experience and our present expectations or projections. Known material factors that could cause our actual results to differ from those in the forward-looking statements include FMC Technologies' ability to successfully manufacture and deliver, and ConocoPhillips Pty Ltd's acceptance of, the subsea systems ordered. For additional information regarding known material factors that could cause actual results to differ from projected results, please see FMC Technologies' Annual Report on Form 10-K for the year ended December 31, 2012, as well as its other filings with the Securities and Exchange Commission. FMC Technologies cautions you not to place undue reliance on any forward-looking statements, which speak only as of the date hereof. FMC Technologies undertakes no obligation to publicly update or revise any of its forward-looking statements after the date they are made, whether as a result of new information, future events or otherwise.
