

FMC Technologies Awarded Subsea Contract for BP's Thunder Horse Field

February 4, 2013 8:41 PM ET

HOUSTON, Feb. 4, 2013 /PRNewswire/ -- FMC Technologies, Inc. (NYSE: FTI) announced today that it has received an order from BP (NYSE: BP) for the manufacture and supply of subsea equipment to support water injection in the Thunder Horse field.

The Thunder Horse oil field is located in the Mississippi Canyon area of the Gulf of Mexico, 150 miles (240 kilometers) southeast of New Orleans in approximately 6,300 feet (1,920 meters) of water. FMC Technologies' scope of supply includes two [manifolds](#) and associated [controls equipment](#). In addition, the scope includes several [pipeline end terminations](#), flowline and [well jumper kits](#) and umbilical termination assemblies. Deliveries are scheduled to commence in the first half of 2013.

"FMC Technologies is pleased to continue supporting BP as they further develop Thunder Horse," said Tore Halvorsen, FMC Technologies' Senior Vice President, Subsea Technologies.

FMC Technologies, Inc. (NYSE:FTI) is a leading global provider of technology solutions for the energy industry. Named by FORTUNE® Magazine as the World's Most Admired Oil and Gas Equipment, Service Company in 2012, the Company has approximately 16,800 employees and operates 30 production facilities in 16 countries. This release contains "forward-looking statements" as defined in the Private Securities Litigation Reform Act of 1995. The word "estimated" and similar expressions are intended to identify forward-looking statements, which are generally not historical in nature. Such forward-looking statements involve significant risks, uncertainties and assumptions that could cause actual results to differ materially from our historical experience and our present expectations or projections. Known material factors that could cause our actual results to differ from those in the forward-looking statements include the Company's ability to successfully manufacture and deliver, and BP's acceptance of, the subsea systems ordered. For additional information regarding known material factors that could cause actual results to differ from projected results, please see the Company's Annual Report on Form 10-K for the year ended December 31, 2011, as well as its other filings with the Securities and Exchange Commission. The Company cautions you not to place undue reliance on any forward-looking statements, which speak only as of the date hereof. The Company undertakes no obligation to publicly update or revise any of its forward-looking statements after the date they are made, whether as a result of new information, future events or otherwise.
